(PATENT)

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Letters Patent of:
Dong K. SOHN et al.

Patent No.: 6,885,103B2

Issued: April 26, 2005

For: METHOD OF FORMING FILM FOR
REDUCED OHMIC CONTACT RESISTANCE
AND TENARY PHASE LAYER AMORPHOUS
DIFFUSION BARRIER

REQUEST FOR CERTIFICATE OF CORRECTION
PURSUANT TO 37 CFR 1.323

Attention: Certificate of Correction Branch
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Upon reviewing the above-identified patent, Patentee noted typographical errors which should be corrected.

In the Claims:

Claim 1, line 3, "suicide" should be changed to --silicide--;
Claim 1, line 4, "suicide" should be changed to --silicide--; and
Claim 2, line 11, "diffusion prevention" should be changed to --ternary phase--.

The first two errors were made by the United States Patent & Trademark Office. The third error was found in the application as filed by Applicants. Thus, please charge our Deposit Account No. 02-2448 in the amount of \$100.00 covering the fee set forth in 37 CFR 1.20(a).

NOV 19 2008

RECEIVED
CENTRAL FAX CENTER
NOV 13 2008

Patent No.: 6,885,103B2

Docket No.: 0763-0173P

The errors now sought to be corrected are inadvertent typographical errors the correction of which does not involve new matter or require reexamination.

Transmitted herewith is a proposed Certificate of Correction effecting such amendment. Patentee respectfully solicits the granting of the requested Certificate of Correction.

As for the third error, original claim 3 recites that a conductive plug is on the diffusion prevention layer, and original claim 4 recites that the diffusion prevention layer is a ternary phase layer. When claim 5 was amended in the Amendment filed on June 3, 2004, to include these features of original claims 3 and 4, the diffusion prevention layer had been replaced by the more specific ternary phase layer. It is clear that Applicants intended to replace each occurrence of "diffusion prevention layer" with the specific recitation of "ternary phase layer," and an error occurred that "diffusion prevention layer" in claim 2, line 11, had not been replaced with "ternary phase layer." Therefore, such correction is respectfully requested.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to our Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. § 1.16 or under § 1.17; particularly, extension of time fees.

Dated: NOV 13 2008

Respectfully submitted,

By 

James T. Eller, Jr.
